## "Warriors On The Move"

***Come Join Mary Splane and Otelia Anderson, Betty Sprigging as they walk through the streets of Jerusalem...***

Special Guest—Dr. Hilton Sutton is one of the world's foremost authorities on the prophetic scriptures, including the Book of Revelation. He is in great demand as a speaker and will join us on this journey.

Always wanted to see the places you've only seen in your mind's eye? While reading the Scriptures, have you pictured the Red Sea, the Upper Room, or the Garden of Gethsemane? Perhaps we cannot walk on the dry land of the parted Red Sea, but we can sail upon the Sea of Galilee. Come join us as we partner with LeSea Ministries – the Ministry of the late Dr. Lester Sumrall - to visit the land of the King of Kings, the birth place of our Lord and Savior Jesus Christ.

If you are like us...We want everything to be real and more real every day. We all have an appointed time. If this is your time, come and walk with us in the Holy Land of Israel. We are ready to have the Lord fulfill our dream...are you? Come let's walk this ancient Land together.
